

INVITATION TO BID

The Town of Montville will be accepting sealed bids for the **Montville Water Pollution Control Authority Stony Brook Utility Bridge Rehabilitation** until 10:00 A.M. local time on Tuesday April 9, 2024, at the office of the Town of Montville Finance Department, 310 Norwich-New London Turnpike, Uncasville, CT 06382 (Attn: B. Griffin, Finance Director) and then publicly opened and read aloud at 10:00 A.M. in the Conference Room of the Water Pollution Control Facility. In general, the work consists of rehabilitation of a steel bridge supporting domestic water and sewer piping over the Stony Brook alongside Route 32 in Montville, CT. The work includes temporary shoring and replacement of steel structures and pipe supports and rehabilitation of the existing structure. Interested bidders are specifically directed to carefully review the full Invitation to Bid and obtain bidding documents at <https://www.wright-pierce.com/projects>.
